FREE BAPTIST REVIVAL.

The congregation of the Free Baptist church is well pleased by the deep spiritual way in which the glorious gospel truths are presented by Bro. and Sister Haines.

Yesterday was another banner day for the Sunday school.

At 11 a. m. Bro. Haines used the message of John the Baptist: "Prepare ye the way of the Lord; make his paths straight." It was a goodly message to the Christian people to get right with God and work in his vineyard.

Last night Sister Haines occupied the pulpit and used a sentence from a prayer of David: "Create in me a clean heart, O God; and renew a right spirit within me."

The message was one of sweet power, pleading for the careless and wayward church member to confess his sin to God and get restored unto him the joy of salvation.

Today Bro. Haines gave a beautiful exhortation on "prayer." How to pray, the way to pray and what to pray for.

They are looking for the tent to arrive tonight. Should it come in it will be pitched tomorrow at some approved place.

NEWS FROM WEST TEXAS.

Andrews, Texas, June 3d.
To the Eagle-Pilot:

As I never see anything from this part of the country I will write a few words. This is a fine place out here, all it needs is the people to do the work. You can raise anything you plant, corn, maize, sweet potatoes, watermelons. Nearly all kinds of grain does well here. The soil is a deep sandy loam.

There is some game here such as deer, antelope, prairie chicken and quail. There are some wolves.

I live nine miles from Andrews, Andrews county, 40 miles from Midland. There are a few people besides myself here from Bryan. Mr. T. C. Nuhn and son Roy, and Mr. Frank Clarke and family live here.

Andrews is only a small place yet, one store, one hotel, blacksmith shop, postoffice, feed store. The auto brings out the mail every day. The auto line runs both ways from Shafter to Midland.

The people are doing well. Most of them are waiting for rain. They say it has not rained here since last August, so I guess it is about time for another rain, as we certainly do need it. Had a little hail here today.

I left Bryan on the 29th of February for Pecos, Texas. Stayed there three months. It is a fine place. Alfalfa is the main crop of Reeves county, but Pecos, like the rest of west Texas, needs rain. There is a great deal of irrigation done there.

Well I will close for this time.
Yours Truly,
C. H. Andrews.
